

**DALTON CONNECTION**  
Cultivating Trusted Personnel

# It's a Winning Game Plan

1

## Tell Us About Your Ideal Employee

We learn about your hiring need, your business, your culture, and your product or service.

2

## Provide Employment Information

You provide the job description, salary, requirements, and any other relevant information.

3

## Pick Your Price

You pick the dollar amount you're willing to pay IF you hire a Dalton Connection candidate.

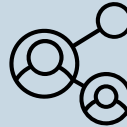

4

## Your Job Goes Live

Thousands of connectors in our network and in your region actively search for your ideal employee.

5

## The Connection

Our Connectors personally recommend qualified candidates that match your ideal employee criteria.

6

## A Better Interview Experience

We provide you a Dalton Connection Scouting Report with candidate information and help coordinate your interview process.

7

## Hire Smarter

You hire a great employee, you lower your hiring risk, and your business prospers when partnering with Dalton Connection.

8

## Your Money Goes Back

We award the connector who identified the successful candidate with a large share of the "Price You Picked."
